Dear friend, I need your help!

You may already know of **Operation Africa**, a Christian organisation whose sole purpose is to get *bibles into the hands of African soldiers*.

(See our website for a full explanation: www.operationafrica.org.au)

Due to God's blessing, we are seeing the lives of soldiers given hope with the free provision of their own bible. Three things happen as a result; they read God's word, they learn English, they have opportunities open up to them because English is the 'language of business'.

Uniquely we provide them with a bible in military camouflage cover! They were designed originally for Australian Defence Forces but we found that other defence personal were keen to have them as well.

In recent months Operation Africa has been successful in delivering over 10,000 bibles to the very challenging region of South Sudan. We have also delivered 5,000 to Namibia, 1,500 to Lesotho and 2,000 to Zambia. All through official channels in co-operation with Military Chaplains in the various defence forces of the African Countries and this is why I am writing to you!

I am asking you to read the story of the Canaanite woman who approached Jesus to have her daughter healed. (See Mathew 15: 21 to 28, & Mark 7; 24 to 30) When you do notice "*the crumbs that fall from the masters table*"; an incredible statement of faith from a pagan woman who knew who Jesus was!

It is this statement of faith that we use to gather "crumbs" to purchase bibles for soldiers in Africa. African's know who Jesus is. They understand the bible and its parables yet most do not own one! We are trying to redress this, in faith according to the Holy Spirit's leading of getting bibles to soldiers in Africa.

Just the equivalent of a *can of coke a week* will help us get bibles to African soldiers. I am seeking the crumbs that fall from your table to help bring about a miracle in Africa.

You recall in Mathew after the faith of the Canaanite woman was expressed what

happened next? Jesus fed the five thousand! We see this happen with the small amounts of money that you give. It multiplies and we can purchase thousands to bibles to give to African soldiers.

All the money we raise goes to bibles for soldiers. No person in **Operation Africa** gets paid; it is entirely a voluntary operation!

One of the greatest contributions you can make is the gift of money towards this goal. If you can assist, 100% of all financial gifts will go directly to this specific goal. You will be issued with a receipt, however it is not tax deductible.

Please sign up to our work and give just \$2.50 dollars per week, the *cost of one can of Coke* per week! Through direct debit it multiplies and feeds thousands because of the Holy Spirit.

We are proud to be supporters in the Kingdom with Daniel Scott and his team at Ibrahim Ministries International and look forward to that great day when we will stand before the throne of God and proclaim Victory in Christ Jesus.

In anticipation of your support, thank you!

Blessings,

Steve Austin
